## MM Docket No. 96-26

In the Matter of

Amendment of Section 73.202(b)  
Table of Allotments,  
FM Broadcast Stations.  
(Booneville, Kentucky)

RM-8749

## NOTICE OF PROPOSED RULE MAKING

Adopted: February 16, 1996; Released: March 4, 1996

Comment Date: April 25, 1996

Reply Comment Date: May 10, 1996

By the Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by James P. Gray ("petitioner"), proposing the allotment of Channel 287A at Booneville, Kentucky, as the community's first local aural transmission service. Petitioner states his intention to apply for the channel, if allotted.

2. In support of his proposal, petitioner states that Booneville meets the Commission's "community" for allotment requirements in that it is an incorporated community listed in the 1990 U.S. Census with a population of 232 persons. Additionally, the community has its own banks, post office, and various retail outlets.

3. We believe the public interest would be served by proposing the allotment of Channel 287A at Booneville, Kentucky, since it could provide the community with its first local aural transmission service. An engineering analysis has determined that Channel 287A can be allotted to Booneville in compliance with the Commission's minimum distance separation requirements without the imposition of a site restriction<sup>1</sup>.

4. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

City	Present	Channel No.	Proposed
Booneville, Kentucky	---		287A

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we

note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before April 25, 1996, and reply comments on or before May 10, 1996, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

James P. Gray  
10 Trinity Place  
Fort Thomas, Kentucky 41075  
(Petitioner)

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See *Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

8. For further information concerning this proceeding, contact Sharon P. McDonald, Mass Media Bureau, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.
